## ADJUSTABLE RATE MORTGAGE (ARM) DISCLOSURE 1 Year LIBOR - Classic Conforming High Balance

This disclosure describes the features of an Adjustable Rate Mortgage (ARM) program you are considering. Information about our other ARM programs will be provided upon request. This disclosure does not constitute a commitment to make a loan to you. If you eventually obtain a loan, the note, security instrument and related documents will establish your legal rights and obligations regarding this loan.

- After the first five years, your interest rate will be based on an index rate plus a margin. Please ask us for our current interest rate and margin.
- The Index is the average interbank offered rates for one year U.S. Dollar denominated deposits in the London Market ("LIBOR") as published in the Wall Street Journal.
- Your initial interest rate is not based on the index used to make later adjustments. If the initial interest rate is below the sum of the then-current index plus
