<p>FLOOD INSURANCE COVERAGE</p>	<p>1. Standard Flood Hazard Determination (SFHD) Each loan delivered for purchase must include the Federal Emergency Management Agency (FEMA) Standard Flood Hazard Determination (FEMA Form 81-93) used in determining whether any of the improvements for a subject property are located within an identified “Special Flood hazard Area” (SFHA). SFHAs are shaded on a Flood Hazard Boundary Map and designated on a Flood Insurance Rate Map. These areas are designated by the following symbols: A, AE, AH, AO, AR, A1-30, A-99, V, VE, VO, and V1-30.</p> <p>Underwriter must ensure that there is no discrepancy between the flood hazard designation on the SFHD and the flood insurance policy if the flood insurance policy shows a lower risk zone than the SFHD unless the discrepancy results from the application of the NFIP’s “Grandfather Rule”. For information on the “Grandfather Rule” see Question #71 in the Q&A’s issued by the federal banking regulators available at http://www.federalreserve.gov/newsevents/press/bcreg/bcreg20090721a1.pdf</p> <p>2. Federally Available Flood Insurance Flood insurance is generally required if any building, dwelling, structure, or improvement is located within a SFHA that has mandated flood insurance purchase requirements under the National Flood Insurance (NFIP) (unless the mortgage is an FAH Section 240 mortgage). Except as provided in Section 12, if flood insurance is not available because a community does not participate in the National Flood Insurance Program (NFIP), Provident Bank Mortgage will not purchase loans secured in those areas.</p>

**FLOOD INSURANCE
COVERAGE

3. Location of Property Within the SFHA

a. Principal Structure Located Within an SFHA

Flood insurance is required if any part of the principal structure is located within an SFHFA. Flood insurance on detached buildings, such as stand-alone garages, sheds, or greenhouses, located within an SFHA is required if they serve as part of the security for the loan.

b. Principal Structure Not Located Within an SFHA

If the principal structure on a property is not located within a SFHA, flood insurance generally is not required even if another detached structure on the property is located within the SFHA.

However, if the detached structure is attached to the land and serves as part of the security for the Loan, flood insurance is required for the detached structure (and may be purchased through a separate policy on a general property insurance form), unless Underwriter determines that the principal structure represents sufficient security for the Loan and releases the detached structure from the security. If buildings are “carved out” from the security, the property must be marketable in the event of foreclosure and the “carve out” must be permissible under the local zoning rules.

c. Waivers

Provident will waive flood insurance requirements if the borrower obtains a letter from FEMA stating that it maps have been amended so that the buildings securing the Loan are no longer in an SFHA.

4. Notice of Special Flood Hazards and Availability of Federal Disaster Relief Assistance.

If any part of the principal structure is located within an SFHA, the Loan file must include the Notice of Special Flood Hazards and Availability of Federal Disaster Relief Assistance that was provided to a borrower in accordance with the Flood Disaster Protection Act. The Loan file must contain evidence that the borrower received the Notice of Special Flood Hazards no later than 10 days prior to the closing unless the Loan file documents why it was not feasible to meet the time frame. The Notice of Special Flood Hazards may not be provided the same day as closing.

We recommend that the borrower receive the following additional information, or substantially similar information, either on the Notice of Special Flood Hazards or on a separate notice acknowledged by the borrower.

“If you obtain the minimum amount of flood insurance coverage identified in your Notice of Special Flood Hazards, you may not have sufficient coverage to rebuild or restore your home in the event of a catastrophic flood. You may be required to use your own cash reserves to make necessary repairs if the insurance is insufficient to fully repair your home. Servicers also have the right to require flood insurance coverage equal to the maximum amount available under the NFIP, which is more than you are required to obtain at the closing of your loan.

**FLOOD INSURANCE
COVERAGE
CONTINUED**

The borrower should carefully review their potential exposure to flood damage with their insurance provider and consider purchasing coverage equal to the maximum amount available under the National Flood Insurance Program (NFIP), which is the lesser of

- a) The maximum limit available for the type of structure; or
- b) The “insurable value” of the structure (the replacement cost value)”

5. Acceptable Policies
The flood insurance policy must be in the form of the standard policy issued under the NFIP. Policies that meet the NFIP requirements, such as those issued by licensed property and casualty insurance companies that are authorized to participate in the NFIP’s “Write Your Own” program are acceptable.

6. Multiple Structures
If multiple buildings securing the loan are located in an SFHA in a participating communication, the Underwriter must determine the amount of insurance required on each building and add these amounts together to determine the minimum amount of flood coverage. Each building securing a loan must be covered by separate policy. The amount of total required flood insurance can be allocated among the secured buildings in varying amounts, but all buildings in an SFHA must have some coverage.

7. Mortgagee Clause
The mortgagee clause on all mortgage policies, binders, and certificates of insurance must show the mortgagee using the following language.

For Loans purchased on or after June 01, 2016, the mortgage clause is as follows:
LoanCare, LLC
ISAOA/ATIMA
PO Box 202049
Florence, SC 29502-2049

8. Policy Term
The policy must be written for at least a one year term.

9. Policy Effective Date
The policy effective date must be on or before the borrower’s loan is funded.

**FLOOD INSURANCE
COVERAGE

- 10. Evidence Of Insurance**
 At closing, the borrower must provide evidence that the property is covered by flood insurance in one of the following forms:
- Flood Insurance Policy
 - Declarations Page; or
 - Copy of the Flood Insurance Application with a paid receipt for the first year’s premium
- Acord evidence of coverage, Acord certificate of insurance, temporary declaration page or insurance
- 11. Escrow Policy**
 If a loan requires flood insurance, flood insurance must also be escrowed.
- 12. Flood Insurance Coverage**
- a) 1 Unit Properties, individual PUD units, Detached Condominium units, Townhouses, and Rowhouses**
- 1. Coverage Amount**
 The flood insurance coverage must equal the lesser of the following:
- The outstanding principal balance of the Loan; or
 - The maximum amount of insurance available under the NFIP, which is the lesser of:
 - The maximum limit available for the type of structure; or
 - The “insurable value” of the structure. (The NFIP does not insure land; therefore, land values are not included in the calculation of the insurable value).
- 2. Deductible**
 The maximum allowable deductible is the maximum deductible from the NFIP (currently \$10,000 for one unit property and \$5,000 2-4 unit properties).
- b) PUDS**
- 1. Coverage Amount for Individual PUD Unit**
 The coverage amount is the same as for other 1 unit properties.
- 2. Coverage Amount for PUD Project**
 The policy must cover common elements buildings and any other common property located in an SFHA.
 The flood insurance coverage must equal to lesser of the following:
- 100% of the insurable value of the facilities; or
 - The maximum coverage available under the appropriate NFIP Program.

**FLOOD INSURANCE
COVERAGE
CONTINUED**

3. Deductible

- Individual unit- The maximum deductible available from the NFIP (currently \$10,000)
- PUD Project- The maximum deductible available from the NFIP (currently \$25,000)

c) Condominiums

1. Homeowner's Association

The condominium homeowner's owners must obtain an NFIP Residential Condominium Building Association Policy (RCBAP) with the following coverage:

• **Building Coverage**

Building coverage must equal to the lesser of the following:

1. 100% of the insurable value (replacement cost) of the building, including amounts to repair or replace the foundation and its supporting structure); or
2. The total number of units in the condominium building times \$250,000

• **Contents coverage** must equal the lesser of the following:

1. 100% of the insurable value of all contents (including machinery and equipment that are not part of the building) that are owned in a common by the association members; or
2. The maximum amount of contents coverage sold by the NFIP for a condominium building.

2. Unit Owner's Coverage

Flood insurance is generally not required for individual Condominium units. However, if a homeowner's association refuses to obtain a RCBAP policy or when the RCBAP policy does not comply with the above, the borrower must obtain a dwelling policy on the individual unit equal to the minimum amount of coverage for a 1-4 unit property as specified above.

3. Deductible

- Individual unit (if required) – The maximum deductible available from the NFIP (currently \$10,000)
- Condominium Project- The maximum deductible available from the NFIP (currently \$25,000)

<p>FLOOD INSURANCE COVERAGE CONTINUED</p>	<p>13. Properties Located in the Coastal Barrier Resources System or in an Otherwise Protected Area Federal flood insurance may not be available for Loans in the Coastal Barrier Resources System (CBRS) or Otherwise Protected Area (OPA), as defined by the Coastal Barrier Resources Act. Private flood insurance is acceptable for these Loans. Coverage amounts and deductible must meet the requirements in this Chapter. The carrier must meet the minimum rating requirements for insurance underwriters specified in the Hazard Insurance Chapter.</p>

HAZARD INSURANCE REQUIREMENTS CONTINUED

Carrier’s Rated by Standard and Poor’s

- “BBB” or better Insurer Financial Strength Rating in *Standard and Poor’s Ratings Direct Insurance Service*.
 - Insurers rated by more than one rating company need only meet one of the rating requirements.

An Insurer Covered by a Reinsurance Policy

- The reinsurance company must meet either one of the A.M. Best ratings or the Standard & Poor’s rating specified above.
- The primary insurer and the reinsurance company must be authorized (or licensed, if that is required) to transact business within the state where the property is located.
- The reinsurance agreement must have a “cut-through” endorsement that provides for the reinsurer to become immediately liable for 100% of any loss payable by the primary insurer in the event that the primary insurer becomes insolvent. The endorsement must be attached to each insurance policy that is covered by the reinsurance agreement.
- Both the primary insurer and the reinsuring company must execute an Assumption of Liability Endorsement Form 858 or any equivalent endorsement that provides for 100% reinsurance of the primary insurer’s policy and 90-day written notice of termination of the reinsurance arrangement. The endorsement must be attached to each insurance policy that is covered by the reinsurance agreement.
- A reinsurer can limit its coverage exposure by specifying a dollar limitation in the reinsurance endorsement. However, the insurance written under the policy cannot exceed that amount.

c) Other Acceptable Insurance Underwriters

- A state insurance pool created by statutory authority to provide insurance for geographic areas or insurance lines which suffer from lack of voluntary market availability, if that is the only coverage that is available. Such pool may be designated as a property insurance plan, a Fair Access to Insurance Requirements (FAIR) plan, an underwriting association, a joint underwriting association or an insurance authority. The following are examples of such plans:
 - Hawaii Property Insurance Association (HPA); and
 - Florida Citizens Property Insurance Corporation

In addition, all insurance companies (insurers) and insurance companies which guarantee coverage provided by other insurance companies (reinsurers) must also be licensed or otherwise authorized by law to conduct business in the jurisdiction where the Mortgaged Premises are located.

HAZARD INSURANCE REQUIREMENTS CONTINUED

- 2. Assessments**
Insurance contracts must provide that no assessment may be made against the lender or the servicer, or any subsequent assignees, and that any assessment made against other may not become a lien on the Mortgaged Premises superior to the lien of the lender or any subsequent assignee.

- 3. Mortgage Clause; Endorsement**
The mortgagee clause on all mortgage policies, binders, and certificates of insurance must show the mortgagee using the following language:
For loans purchased on and after June 1, 2016, the mortgagee clause is as follows:
LoanCare, LLC
ISAOA/ATIMA
PO Box 202049
Florence, SC 29502-2049
The mortgagee clause must provide that the insurer will notify the named mortgagee at least 10 days before cancellation of the policy.

- 4. Policy Term**
The policy must be written for at least a one year term or be continuous until cancelled.

- 5. Policy Effective Date**
The policy effective date must be on or before the date the Borrower’s loan is funded.

- 6. Evidence of Insurance**
At closing, the Borrower must provide evidence that the property is covered by hazard insurance in one of the following forms:
 - Hazard Insurance Policy;
 - A Certificate of Insurance, Evidence of Insurance Form, Declaration Page, or Insurance Binder (Temporary Insurance Contract) that contains at least the following information:
 - Name of insured (for condominiums and PUDs, the homeowners association is the named insured);
 - Name of mortgagee
 - Property address, including zip code. A legal description must be shown for rural properties, condominiums, or other properties if the property address does not adequately define the location of the property. (Example: Route 1, Box 5, is inadequate).
 - Mailing address, if different from property address (second homes and non-owner occupied investment property)
 - Type, amount and effective dates of coverage

HAZARD INSURANCE REQUIREMENTS, CONTINUED

- Deductible amount and coverage to which each such deductible applies;
- Any endorsement or optional coverage obtained and made part of the original policy;
- Insurer’s agreement to provide at least 10 days’ notice to the mortgagee (including any applicable PUD or Condominium Unit or ground lease community leasehold mortgage) before cancellation of the policy; and
- Signature of an authorized representative of the insurer, if required by law
- At closing, the borrower must provide a paid receipt for the first year’s premium.

Condominiums and PUDS

a) Type of Coverage

This insurance policy must provide, at a minimum, fire and all other hazards that are normally covered by the standard extended coverage endorsement and all other perils customarily covered for similar types of projects, including those covered by the standard “all risk” endorsement.

- **Condominium Requirements** – the condominium association must maintain a master or blanket type of insurance policy, with premiums that are paid as a common expense. The policy must cover all general and limited common elements normally included, such as fixtures, building service equipment, and common personal property and supplies belonging to the homeowner’s association. The policy also must cover fixtures, and other personal property inside individual units (e.g., stoves and refrigerators), whether or not the property is part of the common elements.

If the master policy does not reflect “all-in” insurance or betterments, the HO-6 policy with coverage, as determined by the insurer is required which is sufficient to repair the condo unit to its condition prior to a loss claim event.

In addition, the hazard insurance policy should include the following provisions:

- Any Insurance Trust Agreement must be recognized
- The right to subrogation against unit owners must be waived
- The insurance must not be prejudiced by any acts or omissions of individual unit owners that are not under the control of the homeowners’ association
- The policy must be primary, even if a unit owner has other insurance that covers the same loss

A Special Condominium Endorsement usually covers these four requirements.

- **PUD Requirements** – The homeowner’s association must maintain a property insurance policy, with premiums being paid as a common expense. The policy must cover all of the common elements except for those that are normally excluded from coverage, such as land, foundation, excavations, etc. Fixtures and building service equipment that are considered part of the common elements, as well as common personal property and supplies, should be covered
